Mike Carpenter, MACTC Principal, at (231) 767-3605 or [mcarpent@muskegonisd.org](mailto:mcarpent@muskegonisd.org)

### Deadlines for Enrollment in Summer Student Programs Approach

Parents have only a few days left to enroll their elementary and middle school age children in two different summer programs at Muskegon Community College and the Muskegon Area Career Tech Center (MACTC). The **WINGS** program: **W**idening **I**nterests through **N**ew experiences for **G**ifted **S**tudents is being offered for students in 1<sup>st</sup> through 6<sup>th</sup> grades with registrations due by June 1, 2009. The **Summer Fun** program is available for students in 6<sup>th</sup> through 8<sup>th</sup> grades and has a May 29, 2009, registration deadline. All WINGS classes and selected Summer Fun classes are taught at Muskegon Community College. All other Summer Fun classes are taught at the MACTC. Both programs are coordinated by the Muskegon Area Intermediate School District.

**WINGS** is an exciting program for students who like to learn, have curious minds, and are ready to go beyond the introductory level. Classes promote in-depth explorations of core curriculum and are limited in size to encourage maximum student participation. WINGS teachers have been selected based on their expertise, love of learning, and ability to stimulate creativity and thinking skills in children. This year, the four-day, three-hour WINGS courses will be offered at 9:00 a.m. and 1:00 p.m., the weeks of **July 13** and **July 20, 2009**. Cost for each class is \$50.00. A wide variety of course offerings can be viewed at [wings.muskegonisd.org](http://wings.muskegonisd.org). For more information call (231) 767-7267.

Middle school students who attend the **Summer Fun** program can choose one or more of the following classes: Auto Body, Auto Service, Commercial Art (located at Muskegon Community College), Bright Beginnings (Early Childhood Education), Short Circuit, Got Ink? (located at Muskegon Community College), Green-Thumb Club, Fire & Ice (HVAC/R), Metal Morphosis, Crime Scene Investigation, Sports Marketing, Taking Care of Business, Count Me In!, Culinary Arts, Building for Beginners, and Welding. Class sizes are limited to ensure personal attention, safety, and hands-on learning. Summer Fun classes are offered the weeks of **June 15** and **June 22, 2009**, Monday through Thursday beginning at 8:30 a.m. and again at noon. The four-day, three-hour classes are taught by current MACTC staff. Tuition for each course is \$25.00. Students participating in both morning and afternoon sessions may either bring a lunch or pay \$20.00 to cover lunch costs for the week. For more information call (231) 767-3600 or visit [www.muskegonisd.org](http://www.muskegonisd.org).
