

Mathematics HSCE: Identifying Critical Learning Targets

In an environment of new content and graduation requirements for all students, it is essential for teachers to know and understand the content in terms of student learning goals. High School Mathematics teachers will:

- “Unpack” the HSCE into student learning goals.
- Collaboratively prioritize the HSCE using the Criteria for Enduring Understanding.
- Identify the most critical learning targets for classroom instruction.

Location: MAISD Regional Mathematics & Science Center
1001 Wesley
Muskegon, MI 49442

Time: 8:00 am–3:00 pm

Presenter: June Au, Mathematics Education Consultant

Registration Fee: **\$30.00**

1.1 SB-CEUs available (\$10.00 fee)
