

Boardmaker Plus!

Specific subject or topic oriented training

Presented by: Corinn Hower & Jim Kauppila

New training classes being offered for Boardmaker Plus, subject / topic specific:

Moveable buttons—Use of these buttons allows the creation of on-screen interactive activities. Moveable buttons allows creation of activities for counting, sorting and sequencing.

Math—This class will explore the counting and calculation methods that allow creation of interactive math activities

Writing—This class will explore the methods to create interactive writing activities.

**Please bring a storage device with you, if you would like to save your files from the training. You must have taken Boardmaker Plus v.6 or have the software already. Software will not be given out at these mini-classes—these are refresher/greater detail courses.

Boardmaker Plus! V.6—Emphasis courses	Dates
Moveable Buttons	February 8, and 15, 2010
Writing	March 15, and 22, 2010
Math	April 19, and 26, 2010

Trainings will take place AT THE MAISD (Lighthouse Lab), 630 Harvey St., Muskegon, MI 49442 from 4:00 p.m.—7:00 p.m. A light dinner provided at each training
