MUSKEGON AREA INTERMEDIATE SCHOOL DISTRICT
2017-2018
SERVICES AT A GLANCE
A detailed list of programs and services offered by the MAISD for Muskegon Area Schools
The Muskegon Area Intermediate School District (MAISD) is one of 56 intermediate school districts or regional educational service agencies created by the legislature in 1962 to bring about quality and equitable educational opportunities to students and schools throughout the state.

ISDs accomplish this mission in a number of ways, namely by:

1. Creating and promoting economies of scale through such programs as cooperative purchasing and special education services;

2. Sharing current and credible research, best practices, and innovation through initiatives like the fiber project and professional development; and

3. Providing oversight and liaison roles through such programs as Head Start of Muskegon/Oceana and the Muskegon Area Career Tech Center (MACTC).

The MAISD is guided by a local board of education elected by board members from the constituent districts.
