

November 12, 2020

Dear Career Tech Center Parents & Guardians:

Today, November 12, 2020, a positive case of COVID-19 was reported for a person who was at the Career Tech Center main campus on November 6, 2020. This person wore a mask, kept a social distance when on campus, and did not display symptoms when on campus.

After consulting with Public Health-Muskegon County, it has been determined that there is no need to quarantine other students or staff.

As a reminder, if your teen has been exposed to someone who tested positive for COVID-19, or they have been exposed and are awaiting test results, please do not allow them to attend school. Remember, a person does not always display symptoms before testing positive for COVID-19.

This case will be noted on our [COVID-19 Dashboard](#) today. Thank you for understanding that, due to medical privacy laws, we are not able to release the name of the individual who tested positive.

As always, we care about the health and safety of our students, families, and staff. Please help limit the spread of COVID-19 by checking your teen [each morning for symptoms](#) and keeping them home when they are sick. Public Health has also provided these reminders:

- Wear a mask (covering mouth and nose) while in public places or if people visit your home
- Limit social gatherings and practice social distancing (maintaining a distance of 6 feet apart)
- Wash your hands frequently, cover coughs and sneezes, and stay home if you are sick
- [Get tested](#) if needed

As a reminder we will be moving to an entirely remote format starting Monday, November 16 through Monday, November 30. If you have any questions, call the Career Tech Center at 231-767-3600. For answers to your COVID-19 questions, please call the Michigan Department of Health and Human Services COVID-19 Hotline at 888-535-6136, Public Health-Muskegon County at 231-724-1203, or visit [Michigan.gov/coronavirus](https://Michigan.gov/coronavirus).

Sincerely,

Kyle Fiebig, Principal  
Career Tech Center
