

ACADEMIC CREDIT

The table below outlines recommendations for approving academic credit to students completing one year of the requirements in the Career Tech Center programs specified below.

Students interested in earning academic credit at the CTC must contact their high school counselor.

Career Tech Center Program	English Language Arts	Math Related	Visual Performing & Applied Arts	Other
Agriculture/Natural Resources	X		X	3 rd Science
Allied Health	X		X	3 rd Science
Auto Collision/Refinishing		X	X	
Auto Service Technology	X	X	X	
Construction Trades		X	X	
Criminal Justice	X		X	
Cybersecurity & Networking			X	
Electrical/Computer Technologies		X	X	3 rd Science
Engineering Design Thinking	X	X	X	
Graphic Production	X	X	X	
Health Science Academy	X	X	X	3 rd Science
Hospitality & Food Management	X	X	X	
Machining/Engineering Technologies		X	X	Algebra II
Software Design and Development	X	X	X	
Teacher Academy	X		X	
Welding Technology		X	X	Algebra II

Completing a MDE-approved formal Career & Technical Education (CTE) program may allow students to substitute these CTE credits in place of one credit of Science and one credit of World Language.
