

# CAREER CAMP

JUNE 17-20, 2024

## CALLING ALL CURRENT 7<sup>TH</sup> AND 8<sup>TH</sup> GRADERS!

Explore an array of interactive career exploration courses June 17–20 at the Career Tech Center located at 200 Harvey Street in Muskegon. Students enjoy two sessions per day for \$15/day from 8:30 a.m. to 3:00 p.m. Tuition even includes a delicious catered lunch!

## AVAILABLE CLASSES

### Animals and Plants, Oh My!

Dive into the world of agriculture! Explore careers while learning about sustainability, natural resources and animal science. Practice plant and animal identification, grow plants through propagation, learn how to safely handle animals, and more!

### Auto Collision Repair

Discover how to repair cars that have been damaged in an accident using the same techniques the pros do. Work with Bondo filler, practice sanding, and paint a project to take home. Even learn how to weld a plastic bumper! *Long pants & closed-toe shoes required.*

### Automotive Technology

Learn what is at the heart of the auto industry! Discover the *bang!* inside a car's engine, the basics of automotive electricity, how to disassemble, reassemble and measure the systems of an engine, and even create a test light to take home.

*Closed-toe shoes required.*

### Building for Beginners

Learn basic construction practices and safety while building small-scale take-home projects. Students gain hands-on experience with hand and power tools. *Closed-toe shoes required.*

### Design Thinking

Master engineering-inspired design. Employ the design process and cutting-edge tech to craft solutions for real-world issues. Engage in problem-solving and teamwork to tackle engineering challenges.

### Got Ink?

Explore the world of graphic production and printing by designing and creating projects to keep! Use Macintosh computers and Adobe professional software such as Photoshop, InDesign, and Illustrator.

### Hands-on Health

Practice basic medical skills like measuring vitals and hand washing. Create a model of the heart, learn to dispense medicine, and explore the need for personal protective equipment as you explode a watermelon!

### Make Games with MakeCode

Learn basic programming techniques as you build a digital game then play it on a minicomputer! Make several types of games throughout the day using your own ideas and graphics along with a huge set of examples.

### Science, Technology, Engineering & Manufacturing (STEM)

Embark on an exciting journey into the world of STEM! Engage in hands-on science experiments, construct, and tackle challenges with innovative thinking. Unleash your creativity to discover unexpected solutions.

### What's Your Style?

Do you enjoy helping others look their best? Learn basic hairstyles, braiding techniques, skin care, make-up application, and nail care as you explore a career in cosmetology.

## ENROLL AT [SUMMERCAREERCAMP.ORG](http://SUMMERCAREERCAMP.ORG). SPACE IS LIMITED. DEADLINE—JUNE 7, 2024.

The first 50 students to enroll receive a free Career Camp tee shirt. \*Tuition is non-refundable. Needs based scholarships available for households whose income qualifies for free or reduced lunch (50% off). Call 231-767-3613 for details.

It is the policy of the Muskegon Area Intermediate School District that no staff member, candidate for employment, program participant, or recipient of services shall experience discrimination on the basis of race, color, national origin, sex (including sexual orientation or transgender identity) disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively "Protected Classes"), in its programs and activities, including employment opportunities. Inquiries related to issues of discrimination on the basis of disability should be directed to the Assistant Director for Special Education at (231) 767-7249. All other discrimination inquiries or requests for special accommodations to participate in a program, event, or activity should be directed to the Human Resources Director at (231) 767-7213.
