*Having a library card can provide you with endless adventures!
Do you have a library card?*

We're excited to celebrate New Library Card Sign-Up Month in September at Hackley Public Library! Help us celebrate by encouraging your friends and family to visit the library, where they can sign up for a new library card or renew their existing card. Don't forget to sign up for one also!

Everyone who signs up for a new library card will receive a tote bag filled with promotional items and have their name entered into a drawing to win a set of all four Toy Story movies on DVD. Stop in to Hackley Library with questions or for more details!
