

Scholarship Terms at a Glance

- Tuition and fees for up to 32 credits per year to be used Fall, Winter or Summer terms.
- Up to an additional 10 contact hours and fees per year as needed.
- \$500 book allowance annually.
- 62 credits, the equivalent of an Associate Degree, is the maximum amount covered.
- Fees for exploratory classes such as study abroad may not be covered by the Promise award. Students should confirm the allowance with Financial Aid prior to enrolling.
- The value of the scholarship is based on “in county” tuition rates at our local Community College. In the event a student’s residence is out of county (Ottawa, Newaygo or Oceana) higher rates will be charged. Currently, out of county rates are \$98.50 per credit hour higher than the in county rate. This difference/deficit is not covered by the Promise award.
- Scholarship awards will be funded at full value for all students who have confirmed enrollment and residency within our MAISD boundaries for grades 9-12. A prorated amount of the award will be available for all other cases, at 25% each year enrolled.
